

BTI have tells 9/12/00

doing jinks,

sleeping in zero

steps, heard boards

creak - creaked right

up to by his face -

then up on the altar

opened eyes -

was a light blue

flame + SR was

on the altar. SR

turned to him + color

changed to ^{yellow} yellow +

red. He started to

how to SR who said

that's not anyone +

gave him precise direction
on his practice.

The next day ~~at~~
at lunch he
remembered and
~~that~~ couldn't
remember any of
S R's instructions.

5/31/02

Bill Lane told
a story of guy who sleeping
in 2nd floor jikido
someone came in
feared & steps on floor
kept eyes closed cause
thought he is a student
wanted to catch em
doing whatever they were doing
and he looked at all
eyes SR was there
light - describe -

went to bar

SR said no

next day at meal remembered
SR taught him what he
needed for prat

but forgot all
who?
