

Bro Dast 4/20/97

---

remember - most would say  
{standing of body  
he so small light rods  
in trees

Or when I came he still  
going around w/ stick he  
came around he bow to  
put up hood so he get to shoulders  
he said in strong voice  
take this off (hood attached  
to scapula) - he u berked me  
Next day he ~~he~~ said oh  
I didn't know this was  
your keza - laughed - I  
thought you ~~that~~ had to  
protect your head

another time  
he called me in and asked  
"Why did you come here."

he said I come to your  
monastery for 3 days

We met at Chester Carbons  
funeral - 7 miles away  
he almost came but not

left - in talking about faith  
faith/doubt belong together

~~faith is good~~

doubt is good as long as  
faith is the nose on the head of doubt

Now days fashionable  
linguistic studies

Show faith like it's easy  
not

belief - so gave one's heart

↳ at first only student

14th cent Rithich Hans

1st - files - belief - good thing

2nd - " - faith

---

last time - when dying

you look me there ~~so~~

but not well enough so didn't

see him

---

a yr before died saw him

no particular

- we didn't have long conv

& said my respects

Not thing so much of  
what he was leading  
but as a person  
absolutely loved by everybody  
Uncond. Fondly loved.
