

Craig-story

~~Mal Craig - story~~

SR - these 4 vows
I just can't do it
impossible. Start today
save all benjamins off

SR said "I want to be your friend."

LR: I'm not going to sugar
the cookie. I go with
the program, very dramatic.

"Don't hit me w/ that stick
or I will destroy this
bldg. w/ my nuts."

SR didn't stop him from
with bells during 1 day
session.
