Coach Clark has taught at Colorado City, Sweetwater, and Brownwood. In Fort Worth he has taught at Rosemont, Parker, and Stripling. He obtained his B. A. at Texas Tech and his M. A. at TCU.

Coach Fulton received his B. S. and M. S. at North Texas.

Card Tennis Team Ties Stripling as City Champs

Cardinals added another athletic victory to the school's record May 4 when the tennis team captured two firsts and two seconds in the city tennis tournament to become 1960 co-champions with Stripling Junior High.

Marsha Stovall defeated Stripling to take the crown in girls' singles. Marsha also defeated Stripling last year to

Jill Jones and Mary McLean advanced to the finals in the meet, but were then stopped by Stripling. This year is the second on the team for Jill and Mary. Last year also they played doubles.

In boys singles Bill Knight also got all the way to the finals before he too was stopped by Stripling.

Tennis, one of the least publicized sports, has given McLean a little of its sports prestige back. In the final meet the boys' doubles team and Marsha Stovall defeated Stripling. However, the boys singles and the girls' doubles were topped by Stripling. Thus there was a co-championship between McLean and Stripling.

One of the winners from McLean was the boys' doubles of David Chadwick and Jim Richardson.

Chadwick

David is the always witty and funny boy who had one of the leading parts in the senior play. Always friendly, he says something to everyone he meets.

Last year David was ranked ninth in the state for tennis in his division. He will be in several tournaments this summer and will play for Colonial Country Club. Besides tennis David is interested in other sports such as bicycling and basketball.

He is also interested in all types of music from grand opera to rock and roll. He loves school, especially his teachers. He is a definite believer in integration. David also has the two natural interests of "girls and steaks."

This summer he plans to go to New York, as does his good friend Jim Richardson.

Richardson

Jim is a popular and friendly boy somewhere in the vicinity of 5'2" or 3" tall. He is a top notch tennis player and plans to play for Colonial Country Club and also to enter some city tournaments.

Jim, as well as David, cites basketball as being one of his main sports interests.

Jim was a partner of David in the senior play as well as on the tennis court. He is interested in cars and likes school, but his interest in the latter is not quite so pronounced as David's. In music he prefers jazz.
