Dear Mr. Chadwick,

Thank you for your letter dated 22 December with which were included two books on the subject of the ~~zen~~ photography & practice, by Suzuki & Yamada.

There seems to be much to absorb & to think about both in terms of the printed material & of the many questions you have posed. This note is to acknowledge your shot across my bows. I shall do my best to provide answers to some of your questions. There are some that I think I'd not care to answer, but there are some to which I may not have an answer. You will, I'm sure, give me time to compose the appropriate responses and I hope not to be too long about the process.

With my kind regards.

Yours sincerely

Harry Rawson-Rose.
