Dear Chris,
I hope that you get over sick-
ness with a sore throat. Thank
you very much for your kind atten-
tion for my books. I'm very
happy to hear that the books are
gift to me from the Study Center. I
wrote a thank you letter & Reb.

Spring is now in Mpls. Temperature
today is 65°. Some already are
getting nice tan in the sun at the
Calhoun beach as if they are just
like a bear coming out of its hibernation.

In regards,
Dainin Katagiri
